

The connections you need. For situations big and small.

Enhancing communication for judiciary employees

Whatever the situation, FirstNet gives those who support first responders – **judiciary employees like you** – the ability to connect and communicate with emergency personnel every day. It's the communications platform with 21st century tools for public safety. And when disaster strikes, judiciary employees can be uplifted to priority status, so they can keep the lines of communication open – when it matters most. **Plus, FirstNet offers:**

Highly reliable network coverage

FirstNet gets a head start by launching on the nation's best network* – featuring more than 99% population coverage.

Trusted security and resiliency

Designed with heightened security in mind to help resist physical and cyberthreats. Ruggedized to help withstand power outages and backed by a dynamic, highly trained disaster recovery organization.

Dedicated support

Your dedicated technical support is available 24/7/365 – staffed with highly trained professionals who have experience in emergency communications.

Affordable rate plans** with advanced features

So much more than a competitive rate plan – this nationwide broadband network comes with unique capabilities.

So judicial employees can:

- Conduct urgent judicial activities during emergency situations
- Coordinate with judiciary Emergency Management teams
- Collaborate with first responders requiring judicial decrees

Get the facts at FirstNet.com

Available

This powerful broadband LTE network provides a highly reliable connection. This means those who support first responders are not affected by throttling anywhere in the country. And they can be uplifted in priority when lives are at stake.

Operable

Experience faster response times and enhanced situational awareness with improved information-sharing across agencies, disciplines and jurisdictions.

Innovative

Foster an ecosystem of innovation, using advanced technologies, applications and devices that help first responders on FirstNet save lives and protect communities.
