

# Introducing Sonim XP3

## It's no ordinary flip.

Whether communicating in mission critical situations or simply with those who rely on you, you demand simple, fast and ultra-reliable communication. Sonim XP3 is an ultra-rugged flip phone built specifically to perform in the world's most extreme environments. With FirstNet/Band 14 capabilities too, making it perfect for those who serve in public safety.

**FirstNet Ready™**  
**Military rated**  
**Extra Loud Audio**

Sonim XP3. Built to serve. Built to work.

## Features

**FirstNet and B14 capabilities** offers those who serve instant, reliable and private access to the nation's only dedicated public safety network.

Built to industry-leading **Rugged Performance Standards**, including MIL-810G, and Non-Incendive Class I, II and III Div 2 ratings, the XP3 thrives in the most hazardous and extreme environments.

**100 dB+ speaker** and **noise cancellation** ensure your communication is loud and clear, even over helicopters, sirens and severe weather.

Large, tactile and **glove-friendly EPTT Button** and **volume controls** offer quick, mistake-free communication when it matters most.

An unmatched **3-year comprehensive warranty** virtually eliminates the cost of device replacement.

From ultra-rugged headsets, RSMs and other solution-enhancing add-ons such as vehicle kits, multi-bays and cases, XP3 **industrial-grade accessories** allow you to do more in more places.

Ensure smooth, effective deployment and ongoing operation of your devices with **FirstCare/SonimCare**, a dedicated team of Sonim professionals available to provide technical support, training, device prep, programming and more.

A robust built in **5.0 MP rear camera** for capturing image or video. Or for industries requiring high security, a **non-camera model** is available.
